

**CITY OF EVANSVILLE, WISCONSIN
PRESS RELEASE**

Evansville, Wisc. (September 11, 2024) - It has been brought to the attention of the Clerk's Office that voter outreach organizations called CiviTech and Center for Voter Information are using outdated mailing lists sending out Voter Registration Applications to deceased individuals.

These mailings are not only being sent to folks in the city but also surrounding townships incorrectly displaying Evansville as their jurisdiction.

As soon as we were made aware of these mailings, we determined the groups responsible and urged them to discontinue their efforts without delay.

We apologize for any frustration or confusion this may have caused you and please note any mailings sent from the City of Evansville Clerk's Office will be officially signed by City Clerk Leah Hurlley or Deputy Clerk Jolene Klitzman.
