It is unknown at this time if insurance will cover the costs as it depends on the cause of the damage. He stated it will cost \$275,000 to re-build it and the identical cost to replace it. The problem is that the substation is completely down and although we can handle the load of our customers, we do not have a backup. They are looking into backup options now.

- A.** Brooks made a motion, seconded by Cole to approve Ordinance 2020-02, Amending Chapter 126 – Utilities. Brooks stated this will modernize the utility ordinance and adding the nonpolluted water rates section codifies what has been going on for some time.

After suggestions from Sergeant, Brooks made an amendment, seconded by Cole to change Sec 126-6 (c) Any person violating this section may be subject to a forfeiture of not less than \$200. Each day that a violation continues is a separate violation, as provided in Sec 1-11 in the Code of Ordinances.

STAFF MEMO

To: City Council

From: Jason Sergeant, Community Development Director

RE: Memo Regarding Evansville's Economic Development Revolving Loan Fund (EDRLF)

Background:

The recent State "Stay at Home Order" issued by Governor Evers as a result of COVID-19 has placed Evansville Business Owners in a difficult economic position. Many have closed their businesses and hope to return when CDC and state rules allow. The impact on retail storefronts, is the greatest

The City has maintained an economic development revolving loan fund that, to date, has successfully issued two loans to Evansville business owners. One of those loans has been fully paid back. There is currently a balance of about \$75,000 in the fund.

The Federal government has created two programs that are designed to assist COVID-19 affected businesses including the Paycheck Protection Program (PPP) that is focused on creating refundable loans to cover payroll expenses. The Small Business Administration (SBA) has an Economic Impact Disaster Loan (EIDL) that issues low interest loans with an immediate grant payment upfront.

Recommendations:

Staff would like to see three temporary measures, outlined below in three possible motions, taken by council that would benefit Evansville's businesses most affected by the current economic impacts of COVID-19:

- 1.) **Motion to authorize suspension of payments For outstanding EDRLF loans until September 1, 2020.**
- 2.) **Motion to waive Economic Development Committee, Loan Review Board, and Common Council approval until September 1, 2020 for loans under \$2000 and allow the Community Development Director, EDC Chair, City Administrator, and Mayor to authorize such loans to be dispersed until September 1, 2020 with payback beginning January 1, 2021 at 2 to 3% interest over a maximum of 24 months.** (Applicants would still complete the full application and no more than \$25,000 of the total fund balance would be used for these "Express Loans".)
- 3.) **Motion to allow staff to develop guidelines and an express application that would allow any of the above loans to be forgiven if the business meets the following criteria:**
 - **Non-essential and affected by the Governor's declarations and orders relating to COVID-19**
 - **Must have applied for "PPP" and "EIDL" programs through local banks and/or SBA**
 - **Must have a physical location, open to the public, on a commercially zoned lot within Evansville's city limits**
 - **Applications due by September 1, 2020**
