Parcels 6-27-844 and 6-27-842

*Figure 1 Approximate Location Map*

**Location:** 332 E Main Street (Parcel ID 6-27-844), 15 Cemetery Road (Parcel ID 6-27-842)

**Description of request:** An application has been made to divide parcel 6-27-844 in two separate parcels and to expand the size of parcel 9-27-842.

**Existing Uses:** Both parcels have a single residential dwelling units and an outbuilding.

**Existing Zoning:** R-1 Residential District One

**Proposed Land Division:** The CSM will divide the parcels into three lots total. Lot 1 is proposed to be 19,793.64 square feet (0.454 acres) and will be vacant. Lot 2 will contain the dwelling unit addressed at 15 Cemetery Road and will measure 5,362.75 square feet (0.123 acres). Lot 3 will contain the dwelling unit address at 332 E Main Street and measure 22,670.46 square feet (0.52 acres).

### **Review by the Municipal Services Committee**

The proposed land division was reviewed on July 30<sup>th</sup> by the Municipal Services Committee. They concurred with staff opinion that the land division is occurring in an area of existing development for an approved and permitted use, and will not generate a need for future infrastructure or negatively impact existing infrastructure. It was recommended unanimously for approval by Plan Commission and Common Council. Sanitary sewer and water mains are located in front of the proposed Lot 1 would allow that parcel to be developed.

### **Zoning Compliance**

Recent changes in the City's zoning ordinance imposed a maximum lot area of 14,000 square feet for newly created lots. Both Lots 1 and 3 of the proposed division would violate those standards. The intention of the new standards is to ensure density in newly platted lands that are rezoned from holding districts, not for infill or redevelopment sites. Staff will not be requiring a rezoning any lot on the property to another district and will work on adding language to the zoning code to clarify the intention of the maximum lot areas in the R-1 and R-2 zoning districts.

### **Public Hearing and Review by Plan Commission**

A public hearing was held on August 6<sup>th</sup> at the regular meeting of Plan Commission. There were no questions directly related to the proposed land division. Plan Commission voted unanimously to recommend Common Council approve the application.

### **Consistency with the City of Evansville Comprehensive Plan and Municipal Code**

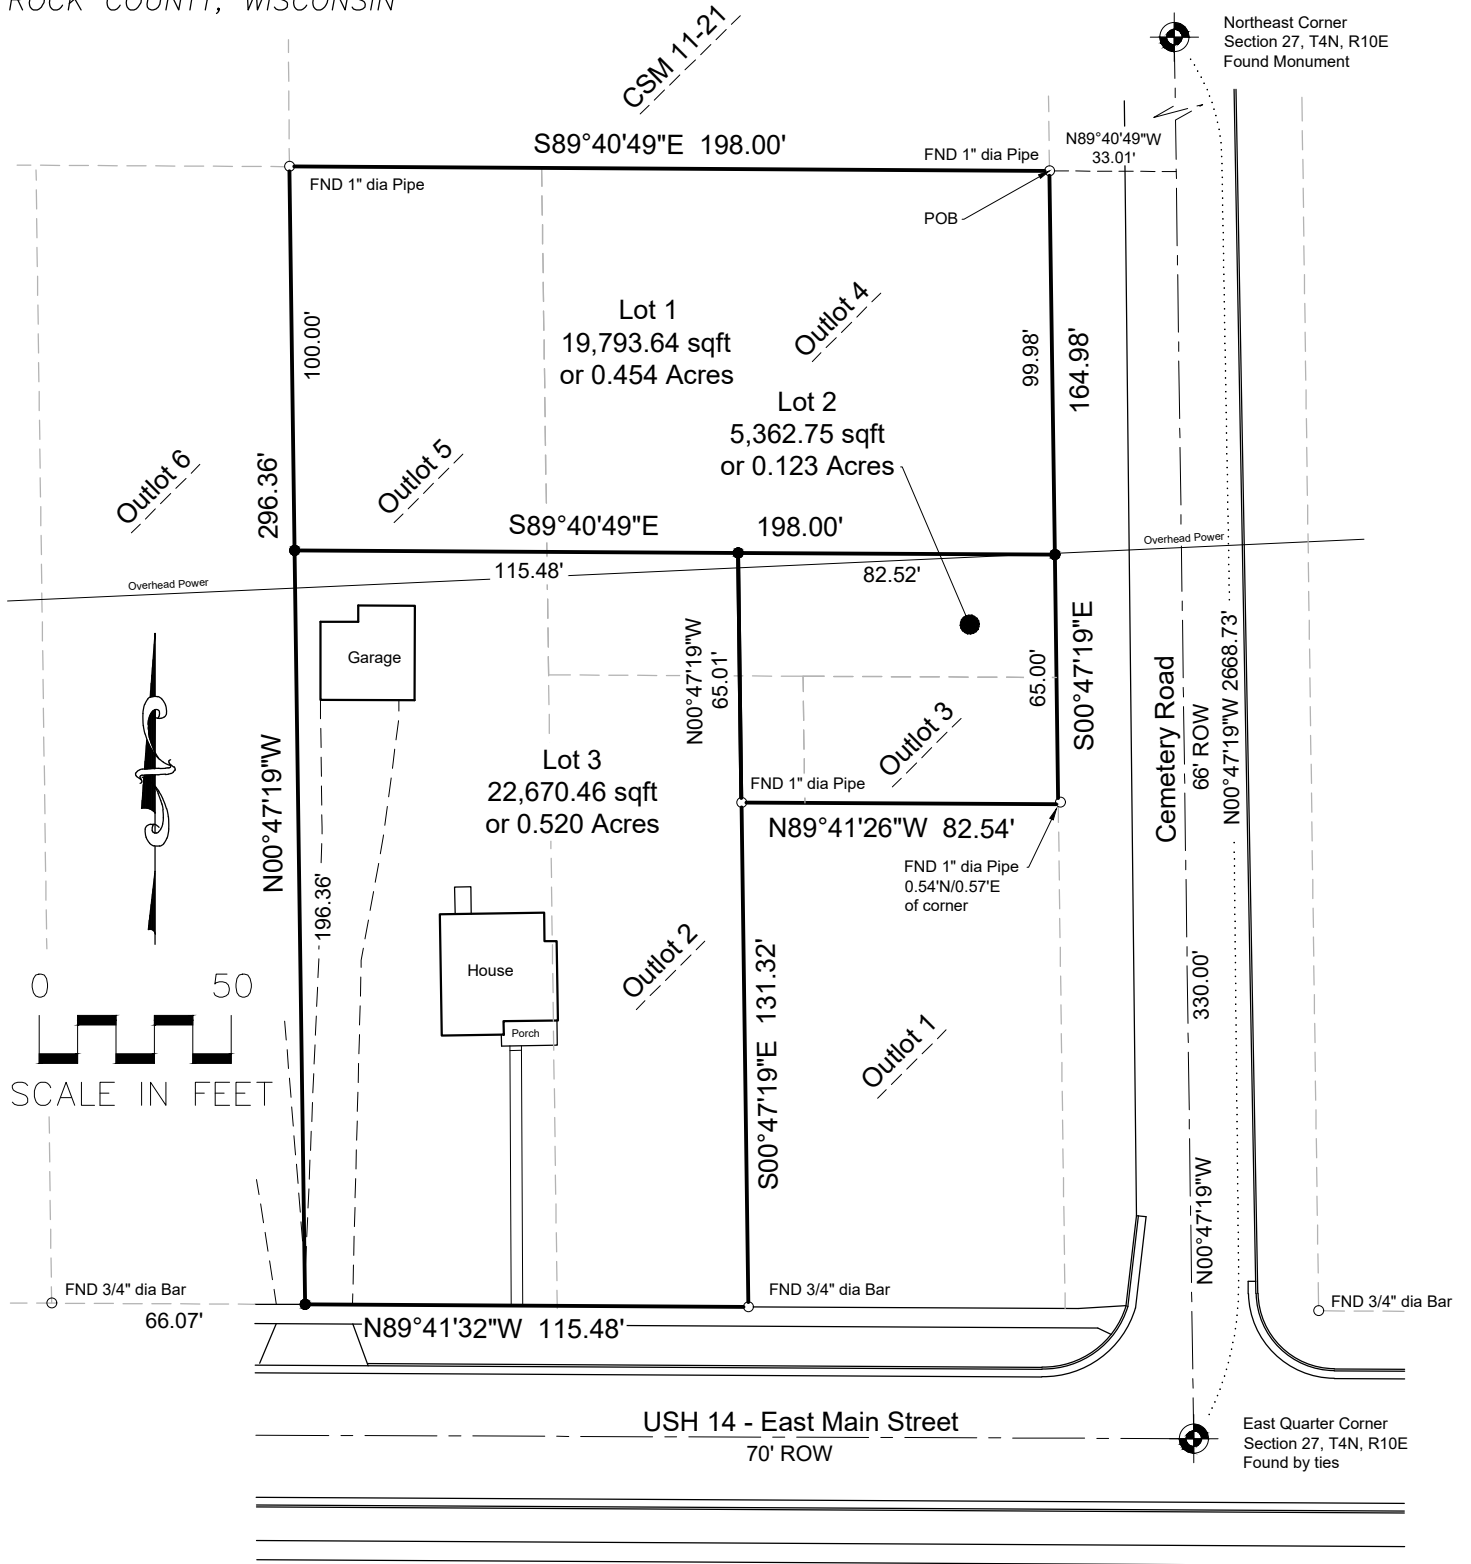

The proposed land division and land uses are thoroughly consistent with the Future Land Use Map of the Comprehensive Plan. The proposal substantially complies with the design standards and environmental considerations as set forth in the Land Division and Zoning Ordinances.

**Staff Recommended Motion:**

*Motion to recommend Plan Commission and Common Council approve a certified survey map to divide and adjust acreages between parcels 6-27-842 and 6-27-844 into three lots, finding that the application is in the public interest and meets the objectives contained within Section 110-102(g) of city ordinances, with the condition that the final CSM is recorded with Rock County Register of Deeds.*
