Subject: Attendance Park Board meeting September 17, 2024

Mr. Cory Neeley (Park Board):

Good day.

We request to be put on the agenda for the September 17, 2024 meeting of the Park Board.

We are representing neighbors concerned with the loudspeaker public address (PA) system broadcast of music at the aquatic center.

Our concerns specifically relate to the music as noise nuisance. We will supply decibel readings from various days.

If you could please confirm our request by email and if you need the names of other neighbors who may attend.

Also, we have copied Angie Olsen on this email, for as indicated by Mr.Sergeant, she is the supervisor of the center.

Thank you for your service to the city and for the consideration.

Sincerely,

Frank, Carole Wyrstek
