On September 15th, 2022 I chropped my 3 Children off at claycare. After work I returned to the daycare to find that my 17 month old daughter was not there. Trying to get answers and verify my daughter's wellbeing I drove to her father's apartment in Stoughton. When I realized she and he weren't there I drove to his mother's house in Evansville, WI. I knocked On the back cloor. It was taking an extremely long time for someone to answer the cloor but I did hear the owner (my daughter's grand mother) say to someone to "Keep the baby away from the back door") When she finally answered the cloor I asked where my daughters fother was, what was going on and to see my daughter. She stated my daughter's father was sleeping at his father's house. She said no I could not see my daughter and pushed me by the shoulders out of the doorway. It was at this moment I contemplated the need to see my daughter and if it was justified. As the woman had previously endangered my life by smoking weed and then driving, and had endangered the lives of my two older children by driving them without carseats I clecided to verify my daughter was alright and stepped around her in an attempt to see my daughter. She was grabbing my arms and pulling at me Instructed her other son to call 911. Chaos ensured Long story short she would later try to say I assaulted her. That story changed and they tried charging me with Felony Elderly Abuse. All charges of assault and abuse were subsequently dropped. There have been no incidents since Sept. 15,2022.

ROCK COUNTY AND CITY OF EVANSVILLE

Rock County (County) and City of Evansville (Municipality) have combined with other municipalities to establish a sophisticated telecommunications system which automatically connects a person dialing the first "911" to a public safety answering point (PSAP) provides the PSAP with the caller's location and number identification.
