- 15. Adjourn

Abbey Barnes, Mayor

City of Evansville Common Council
Regular Meeting
City Hall, 31 S Madison St, Evansville WI 53536
Tuesday, June 9, 2026, 6:00 p.m.

MINUTES

1. **Call to Order:** Barnes called the meeting to order at 6:00 p.m.
2. **Roll Call:**

Members	Present/Absent	Others Present
Mayor, Abbey Barnes	P	Jason Sergeant, City Administrator
Aldersperson, Bill Lathrop	P	Scott Kriebs, Municipal Services Director
Aldersperson, Bill Hurtley	P	Ryon Riggan, City Treasurer
Aldersperson, Erika Stuart	P	Leah Hurtley, City Clerk
Aldersperson, Kelly Shannon	P	Bronna Lehmann, Library Director
Aldersperson, Chuck Boyce	A	Colette Spranger, Comm. Dev. Director
Aldersperson, Norman Barker	P	Mark Kopp, City Attorney
Aldersperson, Ben Corridon	P	Mark Spreitzer, State Senator
Aldersperson, Lita Droster	P	Clinton Anderson, State Representative
		Daniel Harnack, Resident

Others: Jim Graham (CHS), Casey Griffiths (Ehlers), Chris Eager, Ron Gay, John Thielenhouse, Dana Basch

3. **Motion to Approve the Agenda, with editing 8E-3i by Lathrop, seconded by Droster.**
Motion passed 7-0.
4. **Motion to Waive the Reading of Minutes of the May 12, 2026 Regular Meeting and Approve as Presented by Lathrop, seconded by Corridon.** Motion passed 7-0.
Lathrop had correction to 8C: ~~concerns~~ goals, and to verify the spelling of Mallon on 8E
5. **Civility Reminder:** Barnes issued a reminder that all City business is held with civility and decorum.
6. **Special Presentations:**
 - A. **Wisconsin State Senator Mark Spreitzer and Representative Clinton Anderson - Legislative Citation Honoring Daniel Harnack :** Spreitzer and Anderson appreciated the work that Harnack has done in working almost 3 years as an Election Official as a High School Student. Especially with the scrutiny that elections come under.
 - B. **CHS Presentation:** Graham shared an update on the project. CHS will continue to monitor market conditions.
 - C. **Warming House in Leonard-Leota Park, PowerPoint Presentation by Chris Eager, Dan Stephens and Arthur McEvoy:** Eager wants to encourage City of Evansville to restore the Warming House and make it useful again.
7. **Citizen Appearances** (Public comments on items on the agenda not requiring a public hearing and on matters which can be affected by Council action)
 - A. **Ron Gay:** Gay spoke in opposition of the City flying the Pride flag during the month of June.
 - B. **John Thielenhouse:** Thielenhouse returned to Council and spoke regarding property maintenance concerns of a neighboring property at 660 Windsor. Thielenhouse

requested Code Enforcement take action on junk items. Community Development Director will provide the City's outsourced Code Enforcement agency with the address.

- C. **Dana Basch:** Citizen Basch thanked Council for the decision to continue to fly the Pride flag.

8. Reports of Committees

- A. **Library Board Report:** Lehmann read from written report: General Updates- The busy time of our year begins as our summer reading programs for children, teens, and adults start this Friday. This year's theme is "Unearth a Story." Our kickoff event will be Escape Jurassic Library from 10am-2pm. Avoid the roaming dinosaur, solve puzzles, and win a prize. All can sign up for our reading club to earn a book and other prizes this summer. Making life more interesting, Renaissance Historic Exteriors will begin our clay tile roof replacement with installation of scaffolding and fencing on June 15. The project will take approximately two months. During this time the Main Street door and the north facing door on First Street will be closed to the public. All clay tile will be replaced with replica tile produced by Ludowici, the original manufacturer of the 1909 roof. We are hiring a Library Aide. This is a year-round, part-time position of ten hours/week. Duties are primarily shelving and organization of library materials. Applicants must be age 14 or older and available late afternoons Monday – Friday. Program Updates- To help community members have a better understanding of basic AI tools, we will be holding an "Introduction to Artificial Intelligence" class on Thursday, June 18, at 6pm. This program and updates to the Ag/Business book collection are supported by WPPI Community Connections Funds. As part of America's 250th Anniversary celebration, the Evansville Grove Society and the Library have partnered to produce 250 Evansville commemorative coins. The public will be able to enter a drawing to win a coin on July 4th. The winner of the design contest was Kelly J. McKay. Professor John Hall will be speaking at the Library on "Irregular Warfare During the American Revolution." Learn what influenced the tactics of General Washington on Thursday, June 25, at 6pm. Check our website or sign up for our monthly newsletter to learn about activities for kids, teens, and adults based on this summer's theme. Learn about paleontology and see fossils from Kenosha's Dinosaur Discovery Museum on Tuesday, June 16, at 10am.
- B. **Parks and Recreation Board Report:** Barker reported discussion occurred regarding the future of the old Park Store and the Warming House. In addition, the triangle at Lake Leota has been adopted and there are plans to build a kayak rack to place near the old Park Store.
- C. **Plan Commission Report:** Spranger shared that there will be a Special Meeting for Plan Commission on Thursday the 11th for a parcel on Cty Hwy M. This meeting will be to help the Ace Materials keep on schedule for building. Code Enforcement has been moving along nicely and has been in place for about 6 weeks.
 - 1) **Motion to Approve a Preliminary Certified Survey Map (CSM) to divide parcels 6-27-386 into two lots, finding that the application in the public interest and meets the objectives contained within Section 110-102(g) of City Ordinances, with the following condition: that the Applicant submit a Final Certified Survey Map within six months of Common Council Approval for the Preliminary CSM by Lathrop, seconded by Droster. Motion passed 7-0.**
- D. **Finance and Labor Relations Committee Report:** Lathrop shared that in addition to the motions, Mosher insurance was at the meeting to share the new lower premiums with the new carrier, Travelers.

- 1) **Motion to Accept the May 2026 City Payments in the amount of \$2,302,993.64 by Lathrop, seconded by Corridon. Motion passed by Roll Call 7-0.**
- 2) **Motion to Approve the Employee Assistance Program (EAP) Contract by Lathrop, seconded by Corridon. Motion passed by Roll Call 7-0.**
- 3) **Motion to Approve Resolution 2026-23 Authorizing the Issuance and Sale of a \$6,040,000.00 Electric System Revenue Bond Anticipation Note, Series 2026B by Lathrop, seconded by Stuart. Motion passed by Roll Call 7-0.**
Griffiths from Ehler's shared the sales results and the background.

- 4) **Motion to Approve Replacement of Police and Community Development Secretary Position Description with Part-Time Police Secretary Position Description by Lathrop, seconded by Corridon. Motion passed 7-0.**
Sergeant shared the history of the position and where they see the position going.

- 5) **Motion to Approve the DiMAX Phone System Contract for 63 Months by Lathrop, seconded by Corridon. Motion passed by Roll Call 7-0.**
Sergeant shared that the two copper landline phone lines that are left in the City building belong to the elevators in the Library and City Hall. AT&T has notified the City that they will be abandoning those lines. This will address those elevator lines and renew the current contract for less than the previous contract.

- 6) **Motion to Approve the Pest Control Agreements between Orkin, LLC for a One-Year Term by Lathrop, seconded by Droster. Motion passed by Roll Call 7-0.**

Sergeant shared the struggles with wildlife that have made their way into City Hall and the need for what is currently being provided.

E. **Public Safety Committee Report**

- 1) **Motion to Approval of the Renewal Alcohol Beverage License Applications for a Class "A" Beer/ "Class A" Liquor License for: (background check recommendations provided by Chief Jones, unless otherwise noted)**

- Motion by Stuart, seconded by Corridon. Motion passed 7-0.**
Clerk Hurtley shared that there is one establishment El Vallarta that didn’t meet the deadlines, so they will lapse unless Special Meetings are held.

3) **Discussion with Possible Motion to Approve the Class “B”/Class B” Temporary Extension of Premises Application with no more than 8 teams participating for:**

- i) **Pete’s Inn, Inc. – Bags League:** 14 N. Madison Street, Evansville, WI 53536 from 7:00 ~~6:00~~ p.m. to 9:00 p.m. every Wednesday from June 3, 2026, through August 26, 2026

Motion by Stuart, seconded by Corridon.

Stuart shared the details for the application. Clerk Hurtley shared what the Municipal Code states for the extension of premises and the restrictions.

Motion to Amend the Motion to Approve the Class “B”/”Class B” Temporary Extension of Premises Application with no more than 8 teams participating for Pete’s Inn, Inc. – Bags League: 14 N Madison Street, Evansville, WI 53536 from 6:00 p.m. to 9:00 p.m. every Wednesday from June 3, 2026 through September 26, 2026 with the condition that there will be a Staff Member at the entrance to the bags wearing a Staff shirt, the fencing, lighting at fall, and a sweep for cups by Stuart, seconded by Droster. Motion passed 6-1, with Lathrop opposed.

Stuart reported that EMS calls are up over last year, and there are new staff that are finishing their training. The Police Department calls are up over last year as well. Other items discussed included electric scooters, and 4th of July events.

F. **Municipal Services Report**

- 1) **Motion to Approve the Union Townline Substation Relay Bid to Schweitzer Engineering Laboratories (SEL) for a lump sum bid price of \$108,952.00 by Corridon, seconded by Droster. Motion passed by Roll Call 7-0.**

- 2) **Motion to Approve Resolution #2026-22 Review of the 2025 Compliance Maintenance Annual Report (CMAR) by Corridon, seconded by Droster. Motion passed 7-0.**

Corridon reported that there was discussion with residents in regard to their concerns about their retaining wall after the streets project last year. They were encouraged to meet with City Engineer Berquist. In addition, most of the City buildings have completed the repair work from the hailstorm. City Hall and WWTP are about a month out from having their roofs replaced. Other items discussed included 2028 truck purchase and a sewer credit.

- G. **Economic Development Committee Report:** Shannon reported that Shannon is the new Chair of the Committee. There was discussion about local outreach and had met with Yellow Dog Deli. There was additional discussion with onboarding new businesses and supporting businesses located in Evansville. There are preliminary results for 170 East Church that are available on the City Website.
- H. **Youth Center Advisory Board Report:** Did Not Meet
- I. **Historic Preservation Commission Report:** Spranger reported that the sign for Dysfunctional Fitness was approved, the Ice Age Trail kiosk was approved for Antes Drive, and the windows and doors replacements at the Park Store were approved.
- J. **Fire District Report:** Stuart shared that there was a commendation for Mitzi who was the accountant for the Fire District for 30 years. There was an appeal for the fire fee that was approved as well.
- K. **Police Commission Report:** Did Not Meet
- L. **Energy Independence Team Report:** Did Not Meet
- M. **Board of Appeals Report:** Did Not Meet
9. **Unfinished Business:** None
10. **Communications and Recommendations of the Administrator:** Sergeant shared the updates for the Ordinance. Some items covered included: Longfield Street is underway, new mural at The Grange Building, Riggan has been learning the ways at City Hall, and Special Meetings for Public Safety and Common Council at 6:15 p.m. and 6:30 p.m.
- A. **Second Reading and Motion to Approve Ordinance 2026-04 Amending Chapter 2 – Administration with the additional change to 2-98(c)(2) with the change of \$5000 to \$10,000 by Lathrop, seconded by Droster. Motion passed 7-0.**
11. **Communications and Recommendations of the Mayor:** Barnes mentioned that some additional wins for the City included: Public Works fixing the Spraypad in time for the Spraypad to be turned on for the higher temps over Memorial Day weekend, the shade canopy installed at the Spraypad, the bulk dumpster was a hit with residents, and the Aquatic Center was open early for lap swim and Zumba. Barnes would like to add time at the next meeting for closing comments to have any comments, feedback from constituents, suggestions, or concerns brought up.
12. **New Business**
- A. **Motion to Waive Limits of Section 130-109 of the City of Evansville Municipal Code and Accept Plan Commission's Extension of the Construction Commencement Time Limit of Conditional Use Permit 2023-0193 to August 1, 2031, as described in the 2026 Amendment to the CHS Development Agreement by Lathrop, seconded by Corridon. Motion passed by Roll Call 7-0.**
- Attorney Kopp shared that the original Conditional Use Permit was approved by

Plan Commission for 2 years. The ordinance now has a limit of 365 days for how long a Conditional Use Permit lasts. The Conditional Use Permits needs to be extended to match the Amendment to the CHS Development Agreement. Kopp wasn't comfortable with Plan Commission over-riding the limits and would prefer it to be a Council decision.

B. Review and Motion to Approve 2026 Amendment to CHS Development Agreement by Lathrop, seconded by Stuart. Motion passed by Roll Call 7-0.

Sergeant shared that the original agreement had a deadline date of July of 2026 the ability for the City to pull their obligation to the agreement. CHS has spent a lot of money to continue to move the project forward. The extension would be to encourage CHS to build in the next few years.

13. Introduction of New Ordinances

A. First Reading of Ordinance 2026-05, Rezoning Parcel 6-27-559.5171: read by Barnes

14. Upcoming Meeting Reminder: Special Meetings: June 30—Public Safety at 6:15 p.m. and Common Council at 6:30 p.m.

A. Regular Common Council Meeting, Tuesday July 14, 2026, at 6:00 p.m.

B. 2026 Meetings: August 11, September 8, October 13, November 10, December 8, 2026, at 6:00 p.m.

15. Adjourn: Barnes adjourned the meeting at 8:04 p.m.

N O T I C E

A meeting of the City of Evansville Common Council will be held at the location, on the date, and at the time stated below. Community Development Updates

July 2026 Colette Spranger, Community Development Director

- Finalized a Site Assessment Grant (SAG) application to procure funding for demolishing the building at 170 E Church Street and cleaning the site
- Working with MSA Professional Services to wrap up the federally funded EPA planning grant for 170 E Church Street
 - Upcoming input event on Sunday, July 19th at the Farmers Market to give your input on the two scenarios suggested by their research
 - If you can't make that, another survey will be made available to provide feedback
- Code enforcement letters have been sent out to all property owners and businesses that are zoned for commercial or industrial use reminding folks about building permit services and common code violations. Actual enforcement to begin in two weeks.

APPLICATION FOR PRELIMINARY AND FINAL LAND DIVISION - STAFF REPORT

Application: LD-2026-06

Applicant: United Cooperative

Parcel 6-27-1160, 6-27-1160.1, 6-27-1200, 6-27-1200.1

July 14th, 2026

Prepared by: Colette Spranger, Community Development Director

Direct questions and comments to: c.spranger@evansvillewi.gov or 608-882-2263

Figure 1 Approximate Location Map

Location: 650 County Highway M/ 749 Weary Road

Description of request: An application has been made to reconfigure and combine parcels 6-27-1160, 6-27-1160.1, 6-27-1200, 6-27-1200.1 into two lots.

Existing Uses: This is an active industrial site. This has been operating as Alcivia (formerly Landmark Cooperative) but Lot 2 is being acquired by United Cooperative.

Existing Zoning: I-2 Heavy Industrial

Proposed Land Division: Lot 1 is proposed to be 82.3 acres and will contain the railroad spur, weigh station/scale, and grain towers addressed at 650 County Highway M. Lot 2 is proposed to be 11.77 acres and contains office buildings addressed at 649 Weary Road. This

reconfiguration “cleans up” the legal boundaries of the site, as all buildings and infrastructure site on their own lot instead of being divided among four.

Public Hearing and Plan Commission Recommendation

A public hearing was held on July 7th, 2026 at a regular meeting of Plan Commission. There were no comments. Plan Commission voted to recommend the land division be approved by Common Council.

Zoning Compliance. The proposed application is fully compliant with the bulk standards established Chapter 130 of the City of Evansville Zoning Ordinance.

Consistency with the City of Evansville Comprehensive Plan and Municipal Code: The proposed land division and land uses are thoroughly consistent with the Future Land Use Map of the Comprehensive Plan. The proposal complies with the design standards and environmental considerations as set forth in the Land Division and Zoning Ordinances.

Staff Recommended Motion:

Motion to approve a preliminary and final certified survey map to reconfigure parcels 6-27-1160, 6-27-1160.1, 6-27-1200, 6-27-1200.1 into two lots, finding that the application is in the public interest and meets the objectives contained within Section 110-102(g) of city ordinances, with the following conditions:

1. **On page 6 of the CSM, change “Approved per Section 110-4(5) of the City of Evansville Municipal Code” to “Approved by the Common Council this day of , 2026.”**
2. **Once corrected and signed, that the final Certified Survey Map be recorded with the Rock County Register of Deeds.**
3. **Applicant works with City Staff to re-record Conditional Use Permits and Variance approvals to follow correct properties.**

APPLICATION FOR FINAL LAND DIVISION - STAFF REPORT

Application: LD-2026-05

Applicant: Dan and Jon Emery

Parcel 6-27-386

July 14th, 2026

Prepared by: Colette Spranger, Community Development Director

Direct questions and comments to: c.spranger@evansvillewi.gov or 608-882-2263

Figure 1 Approximate Location Map

Location: 432 Longfield Street / 440 Longfield Street

Description of request: An application has been made to divide parcel 6-27-386 in two separate parcels. This is restoring the configuration of the lots to the original Fisher's Subdivision plat. The owner intends to sell the newly created vacant lot. This is the final certified survey map, which will be the legal instrument used to establish the new property.

Existing Uses: There is an existing single family house and a detached garage on the property addressed at 432 Longfield Street.

Existing Zoning: R-1 Residential District One

Proposed Land Division: The CSM will divide the parcels into two lots of equal size. Lot 1 is proposed to be 8,712 square feet and will contain the house and detached garage at 432 Longfield Street. Lot 2 will also measure 8,712 square feet and will be vacant. The future address for Lot 2 will be 440 Longfield Street.

Municipal Services Comments

Longfield Street is under construction for Summer 2026. Staff has confirmed with the applicant that they would like water and sewer laterals stubbed out to the new Lot 2 and that the existing driveway apron and curb to Lot 2 will be restored after street construction. The cost for this has already been

Public Hearing and Plan Commission Recommendation

A public hearing was conducted at the regular Plan Commission meeting on June 2, 2026. There were no comments. Plan Commission voted to recommend approval of the preliminary CSM at its July 7th, 2026 meeting.

Zoning Compliance. The proposed application is fully compliant with the bulk standards established Chapter 130 of the City of Evansville Zoning Ordinance.

Consistency with the City of Evansville Comprehensive Plan and Municipal Code: The proposed land division and land uses are thoroughly consistent with the Future Land Use Map of the Comprehensive Plan. The proposal complies with the design standards and environmental considerations as set forth in the Land Division and Zoning Ordinances.

Staff Recommended Motion:

Motion to approve a final certified survey map to divide and parcel 6-27-386 into two lots, finding that the application is in the public interest and meets the objectives contained within Section 110-102(g) of city ordinances, with the following conditions:

- 1. On page 3 of the CSM, change "Approved per Section 110-4(5) of the City of Evansville Municipal Code" to "Approved by the Common Council this _____ day of _____, 2026."**
- 2. Once corrected and signed, record the Certified Survey Map with the Rock County Register of Deeds.**

City of Evansville Staff Report

Date Prepared: 7/2/2026

For Finance and Labor Committee

TO: Committee Members

PREPARED BY: Ryon Riggan

SUBJECT: Caselle Fixed Asset Management and miTime Proposals

Synopsis: The City received two proposals from our current accounting software provider to add a Fixed Asset Management and an online timesheet for payroll. Both add-ons would increase efficiency and eliminate potential errors.

Currently the City does not have a software for fixed assets, rather they are kept in an excel file and our auditors have expressed concern over the last few years recommending that we look into a software for better asset management. With the add on to our current accounting software it would integrate seamlessly. This would allow city staff to better manage current assets, smoother process of adding/disposing assets with a detailed record, and performing actions such as depreciation/reports all in one place with less assistance from auditors.

A similar situation is presented for employee timesheets currently. Most timesheets are hand written and turned in every two weeks. This is a cumbersome process and is usually not without preventable errors such as not being able to read hand written notes. The miTime software would allow employees to input their time online and it would feed into the software without any manual work. This would save time and eliminate errors.

Budgetary Impact:

Initial One Time Charge For Implementation/Training

Fixed Asset Management---	\$1,717
miTime Payroll-----	<u>\$2,025</u>
Total One Time Charges----	\$3,742

Annual Fees

Fixed Asset Management---	\$1,700
miTime Payroll-----	<u>\$2,700</u>
Total Annual Fees-----	\$4,400

Recommendation: Recommend City Staff to move forward with the proposals.

City of Evansville Staff Report

Date Prepared: 7/9/2026

For Common Council

TO: Committee Members

PREPARED BY: Ryon Riggan

SUBJECT: EBC Flexible Spending Account Proposal

Synopsis: The City received a proposal for employees FSA accounts to be managed by a third party, EBC. This would allow employees medical expenses to be private.

Currently, employees have the option to pursue an FSA through the city to have money from their paycheck be withheld, nontaxable, to cover medical expenses. Employees are reimbursed by the city and they show up on the payments report each month.

The solution to keep employees medical expenses private is going through a third party account that manages the funds and gives employees a debit card to use for medical expenses. EBC's proposal does just that and the total annual cost of the plan to the city would be \$1,170 per year.

Recommendation: Approve City staff to move forward with implementing the plan proposed by EBC.

Employee Benefits Corporation

Proposal for City of Evansville

- ☐ COBRA
- ☒ Flexible Spending Accounts (FSAs)
- ☐ Health Savings Account (HSA)
- ☐ Health Reimbursement Arrangement (HRA)
- ☐ Lifestyle Spending Account (LSA)
- ☐ Commuter Benefits
- ☐ Billing Services
- ☐ Premium Only Plan

Who We Are

Employee Benefits Corporation (EBC) is a national third-party administrator delivering future-ready benefits with human-centered service. With decades of experience, we specialize in consumer-driven benefit solutions that simplify complexity, reduce friction, and empower users.

We believe better benefits start with better experiences. Our solutions are designed to reduce complexity, enhance clarity, and deliver personalized user experiences without sacrificing the human connection. We continuously invest in secure, scalable solutions that adapt to changing regulations, workforce needs, and client expectations. From automation and cloud infrastructure to personalized support and seamless integrations, our platform is built for long-term value and meaningful impact.

Our promise is simple: technology when you need it, people when it matters.

FSA

Fees quoted include charges from third-party vendors for ongoing data integration services. ☐ Yes ☒ No

Projected Expenses

Total Number of Employees	38
Expected Number of Participants	6
Total Monthly Cost	\$60.00
Total Annual Cost	\$1,170.00

Plan Features

- HSA-compatible FSA plan designs
- Smart technology allows all account-based products to be loaded onto one Benefits Card
- Claim submission via mobile app, online account, fax, and U.S. mail
- Secure employer and employee web portals
- Nondiscrimination testing at the end of the plan year, including all 9 required tests
- Runout, grace period, and/or rollover support for mid-year takeovers
- Annual Form 5500 filing (if required)
- Plan year runout, grace period, and/or rollover administration
- Multiple claim funding options

Benefits Card

The Benefits Card lets participants pay for eligible expenses directly from their health care FSA instead of waiting to be reimbursed.

- Provides easier access for quick payment
- Allows multiple products to be used on one card
- Compatible with digital wallets and use wherever Apple Pay®, Samsung Pay, and Google Pay are accepted
- Benefits Cards can be managed online or within the EBCentral mobile app
- Additional and replacement cards available at no cost
- Participant Services contact information on the back of the card

Flexible Spending Accounts

Help employees save on eligible health and dependent care expenses.

A flexible spending account (FSA) is a benefit that offers money-saving, tax-advantaged funds for participants to use on their everyday health and dependent care expenses. Employers choose from **health care, limited health, and/or dependent care** FSA options.

FSA Options

When choosing to offer an FSA, employers can offer one or more of the following account types:

Health Care FSA | Pay for eligible medical, vision, and dental expenses that are not covered by another health plan, including prescriptions and over-the-counter medications and products.

Limited Health FSA | Pay for eligible vision and dental expenses that are not covered by another health plan.

Dependent Care FSA | Pay for eligible dependent care expenses for children or other eligible dependents.

Plan Design Options

Customize your plan to fit your benefits offering.

Rollover is a popular plan option that allows up to a specified amount of unused funds to roll from one plan year to the next. Rollover is not available for dependent care FSAs.

Grace Period gives an additional period of time to incur claims after the end of the plan year when rollover is not offered.

Runout allows extra time after the end of the plan year to submit claims for eligible expenses incurred during the plan year.

Benefits Card

The Benefits Card lets participants pay for eligible expenses directly from their health care FSA or limited health FSA rather than needing to submit a claim and wait for reimbursement.

- Smart technology allows all account-based products to be loaded onto one Benefits Card
- Additional and replacement cards available at no cost
- Primary cardholders can add the Benefits Card to their digital wallet and use wherever Apple Pay®, Samsung Pay, and Google Pay are accepted
- Benefits Card management available through the *EBCentral* app or online
- Participant Services contact information on the back of the card

The Benefits Card is available for the health care and limited health FSAs. Dependent care FSA participants can conveniently submit claims online or through the mobile app.

Technology Features

Employer administration and participant account management is available all day, every day with our online accounts and mobile app, *EBCentral*. Claims submitted through the online account or mobile app are processed within 2 business days and electronically deposited in the participant's bank account when direct deposit is set up.

Plan Features

- Runout, grace period, and/or rollover support for mid-year takeovers
- Multiple claim funding options
- Compatible with health savings account (HSA) and limited health reimbursement arrangement (HRA)
- Auto-convert feature available for participants with a standard health FSA who are interested in enrolling in an EBC HSA. Funds in the standard health FSA are automatically converted to a limited health FSA to maintain HSA-eligibility.

Included Compliance Support

- Nondiscrimination testing at the end of the plan year, including all 9 required tests for FSAs and cafeteria plans
- FSA Plan Document and Summary Plan Description
- Annual Form 5500 filing (if required)

Mobile and Online Experience

EBCentral™

EBCentral Mobile App Features

Easy access to your account details

The EBCentral app opens to a clean, intuitive dashboard that keeps essential tools within reach. You can view account summaries, check recent activity, monitor your Benefits Card status, and take quick actions like submitting receipts or reviewing documentation requests—all with fast, frictionless navigation.

Real-time push notifications after every Benefits Card swipe

Stay informed the moment your card is used. If documentation is required, you'll receive a notification to submit your receipt right away.

Full control over your Benefits Card

Managing your card is simple and secure. Your dashboard lets you lock or unlock your card, request a replacement for a lost or stolen card, and order additional cards for eligible dependents. You'll also have instant access to your recent transaction history and card status.

Fast, secure claim and documentation submission*

Submitting claims and supporting materials is quick and hassle-free. You can upload receipts or other required documents directly through the app, with no paperwork and no delays.

Employer Online Account

- Displays details of accounts and provides participant management, allowing you to add and terminate coverage for a participant in real-time during the plan year
- Access to in-depth reporting
- Ability to view all plan information and download forms and materials
- View fee and funding invoices
- See claims activity and payments

Participant Online Account

- Dashboard with active account and balance information
- Account details with plan design information, deposit data, payroll deduction schedule, plan year details, claim submission instructions, when claims can be submitted, and access to plan documents
- Online claim submission for eligible expense reimbursement
- Benefits Card management, including the ability to submit proof that a pending card transaction was for an eligible expense or requesting a secondary card
- Direct deposit enrollment to receive funds quicker
- Transaction details for viewing processed claims, payment details, upcoming reimbursement payments, recent transactions, and more
- Customization options for managing profile, security, and communication settings
- Forms and other materials, including an employee-friendly Summary Plan Description that provides plan details in accessible language
- Links to third-party, beneficial sites, such as Health Shopper and the FSA Store

*Claims and documentation submission not available to commuter benefit or HSA participants. Apple® and App Store® are registered trademarks of Apple Inc. Google Play is a trademark of Google LLC.

**CITY OF EVANSVILLE
RESOLUTION #2026-25**

Amending the 2026 Budget -Police

WHEREAS, The City is required to amend its budget from time to time.

WHEREAS, the Police Department needs a copier to replace a unit that is no longer repairable and first put in service in 2006;

WHEREAS, the Police Department has secured quotes for copier equipment totaling \$9000 and has seen an underutilization of budgeted salaries because of vacant positions within the department;

WHEREAS, Account 100-52200-110 POLICE SALARY is reduced by \$9000 and account 100-52200-252 IT EQUIP is increased by \$9000;

100-52200-110	- \$9000
<u>100-52200-252</u>	<u>+ \$9000</u>
Total Budget Change	\$0

NOW THEREFORE, be it hereby resolved by the Common Council of the City of Evansville to approve a budget amendment that will have no change to the total budget;

NOW THEREFORE, be it further resolved by the Common Council of the City of Evansville to amend the budget for the year ending December 31, 2026.

Passed this 14th day of July, 2026.

City of Evansville
Jason Sergeant
City Administrator
31 S. Madison Street
PO Box 529
Evansville, WI 53536

Regarding: **209 S 1st Street – Site Development**

Dear Jason Sergeant,

Destree Design Architects, Inc. is very pleased to provide Architectural Design Services for the Youth Center site located at 209 S 1st Street in Evansville. Our project scope and basic services are listed below.

Schematic Design Phase -Historic Preservation Review

- Provide 3 Design Schemes. A Youth Center option, Mixed Development option, and a residential option.
 - Each option will include exterior elevation drawings and site plan diagrams.
- Attend three project meetings as required.
- Submit applications for Historic Preservations Commission review.
- Submit for Demo application
- Site survey by City of Evansville

Services Schedule

Lump Sum of \$3,000

Architectural services will be billed on a time-and-materials basis, billed monthly. Refer to the attached Terms and Conditions for additional information.

Core team

\$185/hr	Architect, Interior Designer – Melissa Destree, AIA, IIDA
\$160/hr	Project Associate - Jeremy Cynkar
\$130/hr	Technical I – Richard Dolezal

Reimbursables

Reimbursable expenses are included in the Lump Sum amount except for Reprographics and Municipal Review Fee.

Payment

Work will be invoiced monthly. We accept payment via check or electronic transfer.

Please call me if you have any questions or would like to discuss any part of this proposal. If this proposal meets with your approval, please sign and return one copy at your earliest convenience.

Sincerely,

Jeremy Cynkar
Destree Design Architects, Inc.

Melissa Destree, AIA, IIDA
Destree Design Architects, Inc.

Performance of Services: The Consultant shall perform the services outlined in the attached Letter of Agreement and this Exhibit A for the stated fees and payment terms.

Additional Services: For additional services not included above, the Consultant shall be compensated at the current rate. Additional services will commence only after written or verbal approval by Client.

Access to Site: Unless otherwise stated, the Consultant will have access to the site for activities necessary for the performance of the services. The Consultant will take reasonable precautions to minimize damage due to such activities.

Retainer/Billing/Payment: The Client agrees to pay the Consultant for all services performed and all costs incurred. Invoices for the Consultant's services shall be submitted, at the end of every month, on a monthly basis. Invoices shall be due and payable upon receipt. If any invoice is not paid within 21 days after the invoice date, the Consultant may, without waiving any claim or right against the Client, and without liability whatsoever to the Client, suspend or terminate the performance of services. Accounts unpaid 30 days after the invoice date will be subject to a monthly service charge of 1.5% (or the maximum legal rate) on the unpaid balance. In the event any portion of an account remains unpaid 45 days after the invoice date, the Consultant may institute collection action and the Client shall pay all costs of collection, including attorney's fees.

Indemnification: The Client shall, to the fullest extent permitted by law, indemnify and hold harmless the Consultant, his or her officers, directors, employees, agents and subconsultants from and against all damage, liability and costs, including reasonable attorney's fees and defense costs, arising out of or in any way connected with the performance of the services under this Agreement, excepting only those damages, liabilities or costs attributable to the sole negligence or willful misconduct of the Consultant.

Information for the Sole Use and Benefit of the Client: All opinions and conclusions of the Consultant, whether written or oral, and any plans, specifications or other documents and services provided by the Consultant are for the sole use and benefit of the Client and shall not be provided to any other person or entity without the prior written consent of the Consultant. Nothing contained in this Agreement shall create a contractual relationship with or a cause of action in favor of any third party against the Consultant.

Certifications, Guarantees and Warranties: The Consultant shall not be required to execute any document that would result in the Consultant certifying, guaranteeing or warranting the existence of any conditions.

Limitation of Liability: In recognition of the relative risks, rewards and benefits of the project to both the Client and Consultant, the risks have been allocated such that the Client agrees that, to the fullest extent permitted by law, the Consultant's total liability to the Client for any and all injuries, damages, claims, losses, expenses or claim expenses arising out of this Agreement from any cause or causes, shall not exceed \$1,000,000. Such causes include, but are not limited to, the Consultant's negligence, errors, omissions, strict liability, breach of contract or breach of warranty.

Ownership of Documents: This custom design is a unique collection of drawings intended for the sole use of the Client for this project only. All documents and concepts produced by the Consultant under this Agreement are instruments of the Consultant's professional service and shall remain the property of the Consultant. The documents may be used by the Client and MKE for facility management and retail planning purposes.

Dispute Resolution: Any claims or disputes between the Client and the Consultant arising out of the services to be provided by the Consultant or out of this Agreement shall be settled by direct discussions. If such discussions do not resolve the claim or dispute within seven (7) days after the parties meet for such discussions, upon written demand by either party to the other, the claim or dispute shall be immediately submitted to binding arbitration. The parties will attempt to agree on an arbitrator within five (5) days of such demand. Any such arbitration shall occur generally in accordance with the American Arbitration Association ("AAA") rules and procedures for arbitration, although the arbitrator need not be selected through the AAA and shall occur within thirty (30) days of appointment of the arbitrator. If the parties cannot agree on an arbitrator within seven (7) days after the demand is received, either party may file a demand for arbitration with the AAA in accordance with its rules or procedures. Any arbitration proceeding shall occur in Madison, Wisconsin. Each party will bear its own expenses of arbitration, and will share equally expenses or fees of the AAA and/or arbitrator if any.

Termination of Services: This Agreement may be terminated at any time by either party. In the event of termination by Client, Client shall pay the Consultant for all services rendered to the date of termination, all reimbursable expenses incurred prior to termination, and all expenses incurred as the result of termination.

It is agreed the above terms and conditions are incorporated into and made a part of the Letter of Agreement.

City of Evansville Staff Report

Date Prepared: 7/9/2026

For Common Council

TO: Committee Members

PREPARED BY: Jason Sergeant

SUBJECT: 2027-2028 Pay Philosophy

Synopsis: To better budget and manage wages the recommendation is to follow the police union contract like the City has done in the recent years. The pay scales reflect a 3.5% COLA increase for 2027 and 2028.

In the last 3 years we have seen the City's COLA keep up with inflation by averaging about 3.5% while inflation was 3%. If we look a little farther back at the 5 year average and 9 year average the COLA increase has been about 3% each year while inflation out paced that at about 4%. So, the City has been doing a good job keeping up with inflation in recent years but over the past 9 years it has been lower than inflation.

The CPI in 2026 has been increasing steadily and as of May it currently sits just below 5%. With current economic indicators such as gas prices we will likely see this number increase again for June but hopefully in later months it will come back down to about 4%. The goal with adopting a two year pay scale adjustment of 3.5% is to bring some stability when it comes to budgeting. It would be a better use of efforts to look at this data on a yearly average as presented above and instead of trying to tie COLA to the present years inflation, we can adjust it every 2 years based on the average of years.

Recommendation: The City adopt the 2027-2028 pay scales and compensation policy as presented.

City of Evansville

Compensation Philosophy

Definition and Purpose

The Compensation Philosophy is a statement that guides the design of the compensation system and strategy. The statement aligns total rewards (cash compensation and benefits) with the goals for recruitment and retention of employees. The philosophy takes a comprehensive, long-term focus and explains the compensation program's goals and how the program supports the employer's long-range strategic goals. Without a compensation philosophy, compensation decisions tend to be viewed from a short-term tactical standpoint apart from the City's overall goals.

Objectives

The City of Evansville recognizes that its employees play a unique and significant role in the provision of services in the community. The City endeavors to recruit, train and develop cohesive, high quality professional staff that will excel in providing public services. It is the compensation philosophy of the City to provide a total compensation package (salary and benefits) based on individual employee performance as a component of the City's compensation system. The City has identified the following objectives in its compensation philosophy and program:

- Provide fair and equitable rates of pay to employees within the City's market
- Develop a system that establishes a "market rate" for each position and states the minimum wage and maximum rates that the City will pay individual employees in a position
- Establish rates of pay that allow the City to successfully compete for, recruit and retain qualified employees with a higher level of prior related work experience
- Establish a market position that is fiscally responsible with public resources
- Ensure that pay rates for existing employees are based on individual performance that meets or exceeds expectations and reflects changing economic conditions
- Develop a pay system that allows employees to progress through the pay range as long as their performance consistently meets expectations
- Develop pay administration policies and procedures that ensure their consistent application throughout the City
- Ensure that the compensation program is understandable to employees, managers, the Common Council, and the public
- Allow the City to recruit and retain experienced employees

Position Descriptions

The basis of the compensation program is the position descriptions. The position descriptions outline the primary purpose of the position, the essential functions, the knowledge skills and abilities required to perform the job, as well as minimum and desired qualifications. The organization will review position descriptions at any time there is a major change in the composition of a position or to ensure that position descriptions remain accurate and up to date. The content of the position descriptions remains the responsibility of the City Administrator and Finance and Labor Relations Committee.

Job Evaluation System

To ensure an internally equitable compensation system, job evaluation points will be assigned to each position. The organization uses the SAFE method, or similar, of job evaluation. The position description is the basis for our job value points. This method of evaluating and classifying positions is based on the assumption that job performance meets acceptable standards. The evaluation process examines the way work is expected to be done. The actual performance and the characteristics of the employee involved in the work are excluded from the process. This method does not measure an individual's effectiveness or need for development, but rather focuses solely on the content of the job.

Reclassification

Occasionally a job within the organization may be newly created or undergo a change in job duties in order to meet the needs of the organization. In that case, the position description will be reviewed and when applicable, updated with new areas of responsibility. When amended, a position description is reviewed using the SAFE method, comparable job advertisements, or similar, and the assigned grade in the pay scale may be changed. Reclassifications may be initiated by the City Administrator. When reclassification occurs separation between pay rates among staff within departments and across the city shall remain.

External Market Analysis

In order for the organization to attract and retain employees it is necessary to evaluate the "market" to determine if our total compensation package is appropriate. To remain competitive it is the intent of the City to review the external market every three to five years (or more frequently when so determined by the Common Council). The cities selected for comparables as a part of the City's compensation philosophy include cities similar to the City of Evansville, cities located near and around the City geographically and cities which will be comparable as the City grows. This group includes cities close to the City's current population and the projected population at the time of the next expected review of the external market.

Internal Equity Analysis

The organization strives to maintain a pay structure that keeps internal equity among

positions based on their job value points. Positions are assigned to a grade using the SAFE method, or similar, to create a total point profile for new and existing job classifications. Separation between pay rates within departments and across the city should remain.

Compensation Plan

The compensation system for the City has two pay scales, one for general government and public safety positions and one for library positions. The compensation plans for the City include 25 pay grades with a 6% spread between grades. Each grade has 9 full steps and 8 half steps, with 2.75% between full steps and approximately 1.38% between half steps. Full-time employees shall move through the wage schedule based on experience, years of service, and satisfactory performance. If budgeting allows and employee is eligible, a half-step increase shall be given to an employee that meets expectations and a full step increase shall be given to an employee that exceeds expectations. Such increases may be given annually through Step 9 and typically on their anniversary date. Employees with performance ratings below standards or needing improvement shall not receive a step increase until the performance rating improves to meeting expectations or higher.

Annually or biannually, the Common Council will review the compensation plan and may provide a compensation plan or base adjustment to the salary schedules based on current Wisconsin Professional Police Association bargaining agreement, cost of living and other factors such as recruitment and retention issues. The recommendation shall be based on the combination of an index as established by the Common Council and the fiscal position of the City that takes into consideration historical trends in market conditions and compensation changes. Any adjustment to the compensation plan or base adjustment will apply to all employees.

The Council reserves the right to deviate from the annual or biannual compensation plan when, in sole judgment of the Council, market conditions or other circumstances dictate such a decision.

Compensation Plan Adjustment Implementation

Effective the date of implementation as determined by the Common Council, employees in positions where the salary grade is adjusted upward as a result of a market study or pay equity review shall be placed on the salary step that is closest to their current rate of pay resulting in an increase in base rate. Employees whose salary grade is adjusted downward are not eligible for base rate increases but shall not suffer a pay cut. Instead, the employees' base rates shall be frozen until such time as their salary grade maximum exceeds their current base rate of pay.

In the event of a compensation plan or base adjustment to the salary schedule, employees in positions where their current base rate does not exceed the maximum of the salary grade shall receive the adjustment in the form of a base increase.

Approved by Common Council March 8, 2022. Revised August 8, 2023, November 12, 2024, and July 14, 2026.

City of Evansville Water & Light

Proposed Rate Application
June 30, 2026

WPPI
ENERGY

Presented by:
Mallory Kleven
Senior Rates Analyst – Team Lead

1

Steps in the Rate Application Process

- Develop rate application
- Submit to the Public Service Commission
- Notify customers of proposed increase in rates
- PSC review
- Public hearing
- Expected implementation date
- Implement new rates

wpplenergy.org

2

2

Parts of an Electric Rate Application

- Revenue Requirement
 - How much revenue does the utility need
- Cost of Service Study (COSS)
 - Evaluate revenues by rate class
 - Cost to serve varies by customer type (usage patterns)
- Rate Design
 - How to collect revenue from customers
 - How to collect fixed and variable cost
 - Price signals

wpplenergy.org

3

3

PROPOSED ELECTRIC RATE ADJUSTMENT			
Line No.	Test Year 2026 Current Rates		Average 2026
1	OPERATING REVENUES		
2	Revenue from Sales of Electric	\$9,394,318	NET INVESTMENT RATE BASE
3	Sales for Resale	\$0	Utility Plant in Service
4	Other Revenue	\$81,880	Materials and Supplies
5	Total Operating Revenues	\$9,476,198	Accumulated Depreciation
6			Regulatory Liability
7	OPERATING EXPENSES		Net Investment Rate Base
8	Purchased Power Expense	\$6,389,894	
9	Transmission Expenses	\$0	
10	Distribution Expenses	\$841,060	NET OPERATING INCOME
11	Customer Accounts Expenses	\$304,399	RATE OF RETURN
12	Sales Expenses	\$0	
13	Administrative & General Exp.	\$995,615	RATE OF RETURN REQUESTED
14	Depreciation Expense	\$779,303	REQUESTED RETURN ON RATE BASE
15	Taxes	\$500,492	Less: NET OPERATING INCOME
16	Total Operating Expenses	\$9,810,763	
17			INCREASE REQUIRED
18	NET OPERATING INCOME (LOSS)	(\$334,564)	PERCENT INCREASE

4

Factors Considered in Rate Design

- Cost of service results
 - what should be collected from each rate class to collect costs to serve those customers
- Recover fixed costs through fixed charges
- Comparison with investor-owned utility rates
- Impact on customer bills
- Price incentives

5

Proposed Rate Design & Tariff Changes

- Increase customer charges
 - Residential Service from \$11 to \$16
 - General Service from \$12 to \$18
- Rg-3 Residential Optional Three-Tier TOD
 - On-peak - \$0.2483, 3:00 p.m. to 7:00 p.m. Monday through Friday, excluding holidays
 - Off-peak - \$0.0641, midnight to 5:00 a.m. every day
 - Standard - \$0.1467, all other hours
- Small Power (Cp-1) rate class
 - Standard TOD
 - Current Cp-1 Optional TOD customer would move
- Simplify Ms-1 Street Lighting Service tariff

6

Class Comparison of Present Revenue to Cost of Service Results

Rate Class	Present Revenue	COSS Study Revenue	% Difference	\$ Difference
Rg-1 Residential Service	\$ 4,476,064	\$ 5,287,023	18.12%	\$ 810,959

Ms-1 Street & Ms-2 Area Lighting Service	\$ 96,070	\$ 102,041	6.22%	\$ 5,971
	\$ 9,394,318	\$ 10,606,282	12.90%	\$ 1,211,964

wppienenergy.org

8

8

Monthly Bill Comparisons

- An average residential customer that uses 737 kWh's would see a \$16.94 increase in their monthly bill or 15.8%
- An average commercial customer that uses 1,207 kWh's would see a \$33.52 increase in their monthly bill or 19.4%

wppienenergy.org

EVANSVILLE WATER & LIGHT

Power Cost Adjustment Clause

All metered rates shall be subject to a positive or negative power cost adjustment charge equivalent to the amount by which the current cost of power (per kilowatt-hour of sales) is greater or lesser than the base cost of power purchased (per kilowatt-hour of sales).

The current cost per kilowatt-hour of energy billed is equal to the cost of power purchased for the most recent month, divided by the kilowatt-hours of energy sold. The monthly adjustment (rounded to the nearest one one-hundredth of a cent) is equal to the current cost less the base cost. The base cost of power (U) is ~~\$0.09290~~.0926 per kilowatt-hour.

Periodic changes shall be made to maintain the proper relative structure of the rates and to insure that power costs are being equitably recovered from the various rate classes. If the monthly adjustment (A) exceeds \$0.0150 per kilowatt-hour, for more than three times in a 12-month period (current plus preceding 11-months), the company shall notify the Public Service Commission of Wisconsin separate from its monthly PCAC report of the need to evaluate a change in rates to incorporate a portion of the power cost adjustment into the base rates.

For purposes of calculating the power cost adjustment charge, the following formula shall be used:

$$A = \frac{C}{S} - U$$

- A is the power cost adjustment rate in dollars per kilowatt-hour rounded to four decimal places applied on a per kilowatt-hour basis to all metered sales of electricity.
- S is the total kilowatt-hours sold during the most recent month.
- U is the base cost of power, which equals the average cost of power purchased per kilowatt-hour of sales for the test year period. This figure remains constant in each subsequent monthly calculation at ~~\$0.09290~~.0926 per kilowatt-hour until otherwise changed by the Public Service Commission of Wisconsin.
- C is the cost of power purchased in dollars in the most recent month. Cost of power purchased for calculation of C are the monthly amounts which would be recorded in the following account of the Uniform System of Accounts:

Class A & B utilities	Account 555
Class C utilities	Account 545
Class D utilities	Account 540

EVANSVILLE WATER & LIGHT

Residential Service

Application: This rate will be applied to residential single-phase customers for ordinary household purposes. Single-phase motors may not exceed 5 horsepower individual-rated capacity without utility permission.

Customers who do not meet these criteria will be served under the applicable rate.

Customer Charge: Single Phase: \$~~11.00~~16.00 per month.
Three Phase: \$~~16.00~~21.00 per month.

Energy Charge: \$~~0.1308~~0.1467 per kilowatt-hour (kWh).

Power Cost Adjustment Clause: Charge per all kWh varies monthly. See schedule PCAC.

Minimum Monthly Bill: The minimum monthly bill shall be the customer charge.

Prompt Payment of Bills: A charge of 3 percent but not less than 50 cents will be added to bills not paid within 20 days from date of issuance. A late payment charge shall be applied only once to any given amount outstanding. This charge is applicable to all customers.

Residential Service – Optional Time-of-Day

Application: This rate schedule is optional to all Rg-1, Residential Service customers. Customers that wish to be served on this rate schedule must apply to the utility for service. Once an optional customer begins service on this rate schedule, the customer shall remain on the rate for a minimum of one year. Any customer choosing to be served on this rate schedule waives all rights to billing adjustments arising from a claim that the bill for service would be less on another rate schedule than under this rate schedule.

Once on this rate, the utility will review billing annually according to Wis. Admin. Code ch. PSC 113.

Customer Charge: Single-Phase: ~~\$11.00~~16.00 per month.
Three-Phase: ~~\$16.00~~21.00 per month.

Energy Charge: On-peak: ~~\$0.225~~0.2275 per kilowatt-hour (kWh).
Off-peak: ~~\$0.079~~0.1025 per kWh.

Power Cost Adjustment Clause: Charge per all kWh varies monthly. See schedule PCAC.

Pricing Periods: On-peak: The three on-peak periods available are:
7:00 a.m. to 7:00 p.m. (closed to new customers)
8:00 a.m. to 8:00 p.m.
9:00 a.m. to 9:00 p.m. (closed to new customers)
Monday through Friday, excluding holidays, specified below.

Off-peak: All times not specified as on-peak including all day Saturday and Sunday, and the following holidays: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, and Christmas Day, or the day designated to be celebrated as such.

Prompt Payment of Bills: Same as Rg-1.

Minimum Monthly Bill: The minimum monthly bill shall be the customer charge.

Moving Provisions: If a customer moves within the utility's service territory, both the original and the new customer have the option to retain time-of-day billing or to transfer to the Residential Service rate, Rg-1, at no cost to the customer.

EFFECTIVE:

EVANSVILLE WATER & LIGHT

General Service

Application: This rate will be applied to single and three-phase customers. This includes commercial, institutional, government, farm, and other customers. The monthly Maximum Measured Demand of customers served on this rate shall not exceed 45 kilowatts for three or more months in a consecutive 12-month period.

Gs-1 customers shall be transferred into the appropriate demand class as soon as the application conditions of that class have been met.

Customer Charge: Single Phase: ~~\$12.00~~ 18.00 per month.
Three Phase: ~~\$17.00~~ 25.00 per month.

Energy Charge: ~~\$0.1337~~ 0.1562 per kilowatt-hour (kWh).

Power Cost Adjustment Clause: Charge per all kWh varies monthly. See schedule PCAC.

Minimum Monthly Bill: The minimum monthly bill shall be the customer charge.

Prompt Payment of Bills: Same as Rg-1.

Farm Customer: Defined as a person or organization using electric service for the operation of an individual farm, or for residential use in living quarters on the farm occupied by persons principally engaged in the operation of the farm and by their families. A farm is a tract of land used to raise or produce agricultural and dairy products, for raising livestock, poultry, game, fur-bearing animals, or for floriculture, or similar purposes, and embracing not less than 3 acres; or, if small, where the principal income of the operator is derived therefrom. (Otherwise, the service used for residential purposes is classed as residential, and that used for commercial is classed as general service.)

Determination of Maximum Measured Demand: The Maximum Measured Demand in any month shall be that demand in kilowatts necessary to supply the average kilowatt-hours in 15 consecutive minutes of greatest consumption of electricity during each month. Such Maximum Measured Demand shall be determined from readings of permanently installed meters or, at the option of the utility, by any standard methods or meters. Said demand meter shall be reset to zero when the meter is read each month.

EVANSVILLE WATER & LIGHT**Large Power Time-of-Day Service (continued)**

Discounts: The monthly bill for service will be subject to the following discounts applied in the sequence listed below.

Primary Metering Discount: Customers metered on the primary side of the transformer shall be given a 1.25 percent discount on the monthly energy charge, distribution demand charge, and demand charge. The reactive component charge, PCAC and the monthly customer charge will not be eligible for the primary metering discount.

Transformer Ownership Discount: Customers who own and maintain their own transformers or substations shall be given a credit of \$0.15 per kW of distribution demand. Customer-owned substation equipment shall be operated and maintained by the customer. Support and substation equipment is subject to utility inspection and approval.

Determination of Maximum Measured Demand and On-peak Maximum Demand: The Maximum Measured Demand in any month shall be that demand in kilowatts necessary to supply the average kilowatt-hours in 15 consecutive minutes of greatest consumption of electricity during each month. Such Maximum Measured Demand shall be determined from readings of permanently installed meters or, at the option of the utility, by any standard methods or meters. Said demand meter shall be reset to zero when the meter is read each month. The Maximum Measured Demand that occurs during the On-peak period shall be the On-peak Maximum Demand.

Determination of Distribution Demand: The Distribution Demand shall be the highest monthly Maximum Measured Demand occurring in the current month or preceding 11-month period.

Determination of On-peak Billed Demand: On-peak Billed Demand shall be the On-peak Maximum Demand.

EVANSVILLE WATER & LIGHT

Industrial Power Time-of-Day Service

Application: This rate will be applied to customers for all types of service, if their monthly Maximum Measured Demand is in excess of 1,000 kilowatts (kW) per month for three or more months in a consecutive 12-month period.

Customers billed on this rate shall continue to be billed on this rate until their monthly Maximum Measured Demand is less than 1,000 kW per month for 12 consecutive months. The utility shall offer customers billed on this rate a one-time option to continue to be billed on this rate for another 12 months if their monthly Maximum Measured Demand is less than 1,000 kW per month. However, this option shall be offered with the provision that the customer waives all rights to billing adjustments arising from a claim that the bill for service would be less on another rate schedule than under this rate schedule.

Customer Charge: \$200.00 per month.

Distribution Demand Charge: ~~\$2.00~~2.75 per kW of distribution demand.

Demand Charge: ~~\$10.00~~11.50 per kW of on-peak billed demand.

Energy Charge: On-peak: ~~\$0.09~~0.0915 per kilowatt-hour (kWh).
Off-peak: ~~\$0.06~~0.0670 per kWh.

Power Cost Adjustment Clause: Charge per all kWh varies monthly. See schedule PCAC.

Minimum Monthly Bill: The minimum monthly bill shall be equal to the customer charge, plus the distribution demand charge.

Prompt Payment of Bills: Same as Rg-1.

Pricing Periods:

On-peak: 8:00 a.m. to 8:00 p.m., Monday through Friday, excluding holidays, specified below.

Off-peak: All times not specified as on-peak including all day Saturday and Sunday, and the following holidays: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, and Christmas Day, or the day designated to be celebrated as such.

Other Charges and Billing Provisions

Budget Payment Plan: A budget payment plan, which is in accordance with ch. PSC 113, Wis. Adm. Code is available from the utility. The utility does not use a fixed budget year. The utility will calculate the monthly budgeted amount by spreading the estimated annual bill over eleven months, with the last month consisting of any end of year adjustments.

Reconnection Billing: All customers whose service is disconnected in accordance with the disconnection rules as outlined in ch. PSC 113, Wis. Adm. Code, shall be required to pay a reconnection charge. The charge shall be **\$40.00** during regular office hours. After regular office hours the minimum reconnection charge of **\$40.00** applies plus any overtime labor costs, not to exceed a total maximum charge of **\$100.00**.

Reconnection of a Seasonal Customer's Service: Reconnection of a service for a seasonal customer who has been disconnected for less than one year shall be subject to the same reconnection charges outlined above. A seasonal customer shall also be charged for all minimum bills which would have been incurred had the customer not temporarily disconnected service.

Insufficient Fund Charge: A **\$25.00** charge will be applied to the customer's account when a check rendered for utility service is returned for insufficient funds. This charge may not be in addition to, but may be inclusive of, the water utility's insufficient fund charge when the check was for payment of both electric and water service.

Average Depreciated Embedded Cost: The embedded cost of the distribution system (excluding the standard transformer and service facilities), for each customer classification is determined based on methodology authorized by the Public Service Commission of Wisconsin, and described in the utility's Electric Rules. The average depreciated embedded cost by customer classification is as follows:

Residential Service: \$_____.

Apartment and Rental Units Separately Metered: \$_____ per unit metered.

Subdividers and Residential Developers: \$_____ per unit.

General Service: (Including Multi-Unit Dwellings If Billed on One Meter): \$_____.

Power Service: \$_____ per kW, of average billed demand.

Street Lighting: \$_____.

**CITY OF EVANSVILLE
RESOLUTION #2026-24**

8F-2

Approval of Changes to the City of Evansville Functional Classification System

WHEREAS the City of Evansville Urban Area (UA) was designated by the 2020 US Census; and

WHEREAS the Urban Area Boundary was adjusted and approved by the Wisconsin Department of Transportation (WisDOT) and the Federal Highway Administration (FHWA); and

WHEREAS functional classification is the method by which roads and streets are categorized based on the levels of mobility and access they provide; and

WHEREAS functional classification of a road or street has a bearing on federal transportation funding eligibility, and

WHEREAS FHWA and WisDOT have developed guidance for functional classification of roads and streets; and

WHEREAS WisDOT periodically reviews and updates to the functional classification system of roads and streets throughout the state; and

WHEREAS these recommended functional classification changes were developed through joint review by UA officials and WisDOT planning staff; and

WHEREAS these recommended changes have been reviewed by the City of Evansville; and

WHEREAS documents showing the recommended changes are attached; and

WHEREAS the Wisconsin Department of Transportation will, after local approval of the recommended FC changes, approve the changes and submit them to FHWA for final approval; and

WHEREAS the approved final FC map will be made available to the City of Evansville after FHWA final approval; and

WHEREAS the new functional classifications will supersede the existing functional classifications in the urban area;

BE IT THEREFORE RESOLVED that City of Evansville Common Council hereby approves all recommended functional classifications:

Passed and adopted this 14th day of July, 2026.

Abbey Barnes, Mayor

ATTEST:

Leah L. Hurtley, City Clerk

Introduced: 07/14/2026

Adopted: 07/14/2026
