**APPLICATION FOR ZONING MAP AMENDMENT - STAFF REPORT**

**Application:** RZ-2022 0292

**Applicant:** RM Berg General Contractors

Parcel 6-27-559.5051

**January 6, 2023**

Prepared by: Colette Spranger, Community Development Director

*Figure 1 Approximate Location Map*

**Location:** Lot 51, Westfield Meadows City of Evansville

**Description of request:** An application to rezone to the R-2 zoning district parcel 6-27-559.5051, Lot 51 of the Westfield Meadows subdivision.

The applicant intends to divide the parcel in two for a two-family twin residence in order to sell each unit separately. That will require a land division application which will be reviewed at a later date.

**Existing Zoning:** The lot is currently zoned R-1; two-family residences are a conditional use in the R-1. In this instance, the final plat of Westfield Meadows indicated the allowed location of two-family units directly on the plat (see Figure 2). This is an unusual practice and would no longer be allowed under the current version of the City's zoning ordinance. A rezoning is required because the landowner wants to sell the units separately. Two-family twin residences are not allowed in the R-1 zoning district.

**SECTION 4. Effective Date.** This Ordinance shall take effect upon its passage and publication as provided by law.

Passed and adopted this \_\_10<sup>th</sup> day of January, 2023.

**APPLICATION FOR REZONE – STAFF REPORT**

Application No.: RZ-2022-0283

Applicant Mary Leeder, Molly Leeder

Parcels: 6-27-589

January 6, 2023

Prepared by: Colette Spranger, Community Development Director

Direct questions and comments to: [colette.spranger@ci.evansville.wi.gov](mailto:colette.spranger@ci.evansville.wi.gov) or 608-882-2263

**Location:** 469/471 E Main Street

**Description of request:** An application to rezone parcel 6-27-589 has been submitted for consideration by the Plan Commission.

**Existing and Proposed Zoning:** The parcel is currently zoned B-1 Local Business District. The applicant proposes B-3 Community Business District. The applicants intend to relocate their Subway restaurant to this new location. The proposed new zoning will give the applicant the ability to apply for a conditional use permit to operate an In-Vehicle Sales or Service use for their drive-up window. Drive-up services are conditional uses in the B-3 and are not allowed uses in the B-1 zoning district.

In a pre-application meeting with City staff, it was discussed that the applicant would have a difficult time meeting the required vehicle stacking length of 100

feet for a drive-through. For that reason, the applicant will also be applying for a variance to make the case for an accommodation. Conditional use applications for the restaurant and drive-up window will answer further questions regarding traffic intensity and other site-related matters. Another public hearing will be held when those applications are received.

**Consistency with the City of Evansville Comprehensive Plan and Municipal Code:** The proposed land uses are thoroughly consistent with the Future Land Use Map of the Comprehensive Plan.

A public hearing was held on January 3, 2023 at Plan Commission. There was one comment submitted prior to the meeting from the owner of 6-27-587, directly west of

the subject property. The neighbor wanted to make sure the City was aware of an existing driveway easement between the two properties, which currently provides access to his home. After discussing the plans surrounding rezoning with the Community Development Director, the neighbor was assured the easement would not be in any way altered and access to his property would be maintained. Plan Commission voted to recommend approval of Ordinance 2023-2 at that same meeting.

**Recommended Motion:** *Motion to approve Ordinance 2023-2, Rezoning Territory from General Business District (B-1) to Community Business District (B-3).*

CITY OF EVANSVILLE  
ORDINANCE # 2023-2

**An Ordinance Rezoning Territory from Local Business District (B-1)  
to Community Business District (B-3)  
(On Parcel 6-27-589)**

The Common Council of the City of Evansville, Rock County, Wisconsin, do ordain as follows:

**SECTION 1. Zoning Classification.** In accordance with Section 130-171 to 130-176, Evansville Municipal Code, Section 62.23(7)(d)2 of the Wisconsin State Statutes and upon recommendation of the Plan Commission and the findings of the Common Council that such zoning district change is in the best interest of the City, and all necessary notices having been given, and the required public hearing having been held, and the Plan Commission having made its recommendation of approval in writing to the Common Council, that the zoning classification of parcels be changed from Local Business District (B-1) to Community Business District (B-3). The areas to be rezoned are indicated on the map below:

**SECTION 2. Zoning Map Amendment.** The official zoning map, City of Evansville, Wisconsin, is hereby amended to show the territory described in Section 1 as Central Business District Three (B-3).

**SECTION 3. Severability.** If any provision of this Ordinance is invalid or unconstitutional, or if the application of the Ordinance to any person or circumstances is invalid or unconstitutional, such invalidity or unconstitutionality shall not affect the other provisions or applications of this Ordinance which can be given effect without the invalid or unconstitutional provision or application.

**SECTION 4. Effective Date.** This Ordinance shall take effect upon its passage and publication as provided by law.

Passed and adopted this \_\_10<sup>th</sup> day of January, 2023.
