Application of Appointment Interest

Committees, commissions, and boards play a significant role in helping city staff, the Common Council and the Mayor in making decisions that affect the lives of Evansville residents. The City of Evansville values board participation in these bodies and highly encourages residents to get involved. From time to time appointed positions may become available, as this positions arise we will follow up on your interest participation. If you are not appointed immediately, your application will be kept on file for 2 years. Name, Phone, and Email may be listed on the City's website if you are appointed.
